

## AI-on-the-go: Deskless Professional Training

*Half-day intensive, in-company, on-location*

### What's it about?

AI training for “deskless” employees: the people in the field, on the road, in retail locations and in factories. On the job, they use their hands, they solve problems on the go helped by a smartphone.

Learn how to leverage AI on the go, in the field with a fun, fast-paced half-day workshop. Engage with voice-activated AI and get instant administrative, logistical or data-driven help. Grasp the full range of Multimodal AI and practice actionable skills to make your workflow faster, better, and more enjoyable. Certifications of completion afterwards.

### What's the structure?

- *What is AI? Understanding the AI brain structure, strengths and weaknesses.*
- *The Voice-Activation Workflow.*
- *AI as consultant and coach: prompting types, structure, refining, chaining; exercises.*
- *AI for vision and verification*
- *AI for communication*
- *AI for admin and paperwork*
- *AI for hands-free learning and training*
- *Using AI responsibly: the role of data, bias and hallucinations*
- *Multimodal AI: Image and Music*
- *AI Agents: setting up your assistants.*
- *The Future: what we can expect with the next few rollouts.*

## TESTIMONIALS

S. Loughran: "Great session - brain aching with new information!"

J. Ridley: "So insightful... thank you."

L. Biro: "This was mind-blowing, thank you!"

S. Walmsley: "Great content and useful information. Thank you!"

S. Riley, HR.com: "I thought the presentation was great! I love how passionate and relatable she is."

N. Morelli, Rotary Club the Hague: "The AI presentation was much appreciated! Personally, I learned much more about AI and, thanks to her clear explanation, I have a better idea of how it works and if how it can be applied!"

L. Carola, HR.com: "The facilitator was so very knowledgeable, and I would recommend this presentation to anyone who is a novice in AI; she was excellent!! You all will need to invite her back again for another similar presentation."

M. Shortle, HR.com: "So interesting! Far more information that I've had in other presentations on AI."

F. Baily, HR Lead CLL: "The team thoroughly enjoyed the keynote speech and the interactive session that followed. It was a great meeting for learning more about AI."

G. Wilkinson, TheTruthWorks: "Just wanted to say thanks again for your brilliant contribution to the panel. You brought such energy and interesting discussions."

K. van den Berg, Head of Talent ABN AMRO bank bv: "Really great and insightful presentation!"

D. Van Damme, [Salesmarketeer.nl](https://www.salesmarketeer.nl/): "Fiona Passantino's masterclass was so inspiring and educational for Sales Marketers! It is indeed exciting to see how AI is transforming our understanding of the world and enabling us to develop new skills. It was particularly instructive in sharing knowledge and exploring the potential of AI. This is crucial in our rapidly evolving technological world. Here's to more inspiring and educational experiences in the future! 🥰"

V. Veleva, Female Ventures NL: "Fiona has the unique ability to balance practical tips on ChatGPT and Mid Journey with a wealth of knowledge on AI. I had the chance to witness her powerful presence when she gave a workshop held for 70 people with the aim of encouraging female leadership, where she successfully translated the theory of Artificial intelligence and Machine Learning into a captivating message with a wonderful sense of humour met with enthusiasm from the participants. We are grateful Fiona volunteered her time and gave a workshop for Female Ventures."

H. Simpkins, Senior Internal Communications Business Partner AXA UK: "Thank you Fiona for a really thought-provoking session. Left me with a lot of thoughts around the role of AI in speeding up what we do, and how we can use it to improve the visual nature of our messages. It's always been the costliest part of comms to create visually engaging stories but as you say Fiona, so much opportunity if we do."
