

## AI Coaching

### Become an AI-powered version of yourself

Whether you're looking for a new role, or you're ready to re-enter the workforce with the skills that command attention, as a seasoned leader, practitioner or freelancer, this is the year for you to integrate multimodal generative AI into your workflow.

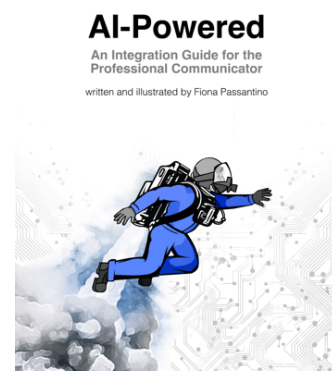

No matter your level of AI awareness, AI Integration is a practical journey that starts with awareness, discovery, learning, practice, building your stack, and creating a long-term roadmap that's both sustainable and valuable.

Learn the tools, their applications, strengths and limitations, and how you can position yourself for the future.

**One-on-one coaching at your convenience.  
A 4–6-month journey of weekly sessions.**

### Meet Your Coach

Fiona Passantino is a passionate AI Integration Specialist, dealing with the Human elements of our Engagement, Communication and Culture. She is a trainer, workshop facilitator, professional executive coach, helping leaders and teams understand and integrate AI into their workflows.

Fiona is growing a considerable international following as a speaker, blogger, coach, podcast host and the author and illustrator of the 2023 UK Business Book Award-winning “[Comic Books for Executives](#)” series, which include the Post-Covid Handbook for

Engagement. She is the host of the podcast "[Working Humans](#)". Her book "AI-Powered" is coming soon.

Before her launch as an independent consultant, Fiona was embedded in corporate communications for 15 years, working for some of the largest international companies in Europe. She received an MBA in Management from the University of Amsterdam in leadership with a concentration in AI.
